Weymede

Weymede is situated on the border where Byfleet morphs into Weybridge and set in 15 acres of private, fully enclosed landscaped gardens featuring a wide variety of mature trees and shrubs. The estate benefits from its own totally private frontage to the river Wey with private fishing rights and is perfectly situated for Weybridge or New Haw stations, Mercedes Benz World, Brooklands museum/shopping and fine local schools. The unique environment of Weymede is protected by legal covenants administered by a committee of volunteer residents.

It is, in short, one of Surrey's best kept secrets

Living at Weymede

Weymede however in common with most Span estates genuinely does just what is says in the blurb. It shatters the dominance of the road and car and brings the garden closer to each home by "placing landscape first, landscape second and landscape last".

For more information on Weymede please speak to one of our staff or you can find much more on www.weymede.co.uk, where you will also see the "Grand Designs Magazine" article in 2005.
