## ACCOMMODATION

The downstairs of this unique property comprises a large light-filled hallway which runs the length of the property.

Straight in front of you as you walk into the property you find the fantastic semi-open plan kitchen/dining room. Accessed via the dining area you find the beautiful, spacious sitting room with views over the garden. The sitting room can also be accessed to the far right hand side of the entrance hall where you also find the fifth bedroom/office and downstairs shower room.

Up the first of two staircases you find the gorgeous well-appointed master bedroom to the rear, another good size bedroom and the main family bathroom.

Back down on the ground floor to the front of the property you find an additional reception room which could make the ideal family room/second sitting room. This room leads into an inner hallway with the second staircase leading to two further bedrooms and a shower room.

Outside, the property has the unusual benefit of two separate garden areas so you can really make the most of the sunshine! To the front the property has off street parking for two cars - a real rarity so close to the High Street!
