Property Description

Upon entering, a PVC door with decorative double-glazed stained glass inserts opens directly into a spacious and characterful lounge. Exposed timber ceiling beams create a warm, cottage-style atmosphere, while a prominent stone chimney breast forms a striking focal point, housing a log-burning stove—perfect for cosy evenings. A staircase rises to the first floor, with a useful open storage area beneath, and an opening leads through, with a gentle step down, into the kitchen.

The kitchen is surprisingly generous in size and continues the home's rustic charm with terracotta tiled flooring and further exposed timber beams. Fitted with a wide range of shaker-style wall and base units in a wood-effect finish, it offers ample storage and workspace. A colourful tiled splashback adds personality, while a stainless steel sink and a half, integrated double oven with grill, and electric hob cater to everyday needs. There is additional space for a freestanding fridge freezer and plumbing for a washing appliance. A breakfast bar provides a casual dining option, and a PVC door opens out to the rear garden.

The garden is designed for ease of maintenance, with a hardstanding surface ideal for outdoor seating or entertaining. A large corner brick-built planter is ready to be filled with vibrant planting, while secure timber fencing ensures privacy and makes the space suitable for pets.

To the first floor, a bright landing benefits from a fitted window, allowing natural light to fill the space, with access to the loft available via a hatch. The primary bedroom is a spacious double, accessed via two small steps from the landing, and features carpeted flooring along with clever use of the stair bulkhead to create fitted shelving for storage. There is ample room for additional bedroom

furniture.

The second bedroom is also well-proportioned and could accommodate a double bed, although it is ideally suited as a generous single room, guest bedroom or home office. A rear-facing window provides a pleasant outlook over the garden.

The bathroom is fitted with vinyl patterned flooring and part-tiled walls, comprising a bathtub with an electric shower above and folding screen, WC, hand wash basin and radiator.

Perfectly positioned, the property is just moments from Abergele town centre, where a range of shops, cafés and a supermarket can be found. Local infant, primary and secondary schools are all within walking distance, along with public transport links including bus and rail services. A nearby park offers green open space, and for those needing to travel further afield, the A55 North Wales Expressway is easily accessible.

Full of charm and offering fantastic convenience, this delightful cottage is ready to welcome its next owner.
