# Chapel Cottage, Sudbury Road, Newton, CO10 0QS

A beautiful village home that has previously been a chapel, thoughtfully transformed to a high standard throughout, creating a bright and spacious family home. Overlooking the golf course in Newton Green, the property enjoys a wonderful setting and successfully combines hints of charming period features with stylish modern finishes ensuring this property works as a contemporary living space.

The accommodation begins with a spacious entrance porch, opening into a superb open plan lounge/dining room. This impressive and versatile space is flooded with natural light and is ideal for both everyday family living and entertaining. A wood burner provides a charming focal point, while doors lead directly out to the rear garden. The refitted kitchen has been finished in a contemporary style with integrated appliances including an induction hob with extraction, double ovens, wine cooler, dishwasher and fridge/freezer and is complemented by a useful utility room and ground floor cloakroom, ensuring the home is not just attractive but practical too.

Accessed from returning staircase with picture window the first floor opens onto a large landing leading to three sizeable double bedrooms, each benefitting from fitted wardrobes. The principal bedroom is particularly spacious, while the remaining bedrooms offer flexibility for children, guests or home working. A recently fitted modern family bathroom with shower and vanity and separate cloakroom complete the first floor accommodation.

The property continues to impress to the front where a driveway provides off road parking for approximately three to four vehicles and leads to a garage, with electric roller doors to the front and personal door to the side. Three-phase power has been connected which has capacity for the installation of an EV charging point.

The rear garden has been designed for ease of maintenance, arranged in an attractive private courtyard style incorporating patio seating area with external lighting leading to an artificial lawn and a walkway that envelopes the property, with side access to both aspects of the property.
