A well-presented detached home offering a generous and flexible layout, suited to a variety of needs.

The accommodation is arranged over two floors and, in our opinion, will appeal to broad range of buyers. On the ground floor there are two bedrooms along with a shower room, which may work well for those seeking more accessible living or for multi-generational use. There is also a separate dining room, a kitchen, and a generous main living room.

Upstairs, there are two additional bedrooms, together with a second shower room and built-in storage off the landing.

Outside, the rear garden is enclosed and designed to be relatively low maintenance, with a mix of patio and lawn. To the front, there is driveway parking along with a garage.

A versatile home which would suit a range of buyers and is best viewed to appreciate the space on offer.
