Thoughtfully extended by the current owners, the property now provides generous and flexible accommodation arranged over two floors. The ground floor centres around a welcoming and spacious entrance hall, leading to a comfortable lounge, well-appointed kitchen, garden/utility room, two double bedrooms, a family bathroom, and separate WC. Upstairs, a loft conversion has created two further bedrooms, making the property ideal for growing families, or those seeking additional space for home working or hobbies.

While the property has been well cared for over the years, it would now benefit from a programme of updating and modernisation, presenting an exciting opportunity for buyers to put their own stamp on the home and create something truly special. With generous room sizes, flexible accommodation, and excellent foundations already in place, the property offers significant potential to enhance both its value and lifestyle appeal.

Externally, the property continues to impress with a detached double garage, an additional single garage attached to the chalet bungalow, and gardens offering something for everyone. To one side, a productive vegetable garden provides the perfect space for keen gardeners, whilst the lawned area offers room for relaxing, entertaining, or family enjoyment.

Old Becclesgate is one of Dereham's most desirable addresses, offering a tucked-away, non-estate setting whilst remaining within easy walking distance of the town centre, shops, schools, healthcare facilities, and other everyday amenities. Combining generous accommodation, excellent garaging, tremendous potential, and a prime location, this is a rare opportunity to acquire a home that can be transformed into a fantastic long-term family residence.
