

19 CHESHAM STREET

BRIGHTON, BN2 1NA

FREEHOLD

An impressive and beautifully presented five-bedroom period home offering almost 2,000 sq ft of versatile accommodation, arranged over four floors and retaining a wealth of original character throughout.

The ground floor is centred around a superb through living/dining room, an elegant and wonderfully sociable space with large bay window, high ceilings and feature fireplaces. To the rear, the separate kitchen is generously proportioned with plenty of workspace and storage, while French doors provide a direct connection to the garden.

Five well proportioned bedrooms are arranged across the upper floors, including an impressive principal bedroom with bay windows. The top-floor bedroom provides excellent additional flexibility and would work equally well as a guest room, home office or studio. A family bathroom, separate WC, shower room and useful utility room complete the accommodation, while there is also a cellar providing valuable additional storage.

Outside, the secluded walled rear garden is a real highlight. Predominantly paved for easy maintenance and surrounded by established planting, it provides a private and attractive space for outdoor dining and entertaining.

The house combines the generous proportions and architectural detail associated with its period with a stylish, individual interior. Ornate fireplaces, bay windows, high ceilings and decorative detailing sit comfortably alongside the more contemporary kitchen and bathrooms.
