- Traditional Mid Terrace
- Spacious Main Reception
- Ground Floor Cloak Room
- Highly Regarded Village
- No Upward Chain
- 3 Bedrooms
- L Shaped Dining Kitchen
- Tastefully Modernised
- Pleasant Gardens
- Viewing Highly Recommended

An excellent opportunity to purchase a tastefully presented mid terraced traditional home offering a deceptive level of internal accommodation, large enough to accommodate families but would appeal to a wider audience whether it be from single or professional couples or even those downsizing from larger dwellings looking for a home within this highly regarded village.

Over recent years the property has seen a tasteful programme of improvements with a refurbished kitchen and a modernised bathroom as well as an excellent level of integrated storage and the addition of a useful ground floor cloak room. The property is also enhanced by relatively neutral decoration throughout and benefits from UPVC double glazing and gas central heating.

The property offers just in excess of 1,000 sq.ft. of accommodation comprising an initial hallway which in turn leads to an open plan L shaped dining kitchen with a rear lobby and ground floor cloak room off. From an inner hallway is a dual aspect sitting room. To the first floor is a well proportioned initial landing area that could provide a reception area and, in turn, three bedrooms and bathroom.

As well as the internal accommodation the property occupies a pleasant plot with on street parking to the front and enclosed gardens to both the front and rear.

As well as the current accommodation the property has had prior planning in 2021 for a single storey extension at the rear and although this has now lapsed it does show that there is potential to extend the property further subject to renewal of consent. Further details can be found on Rushcliffe Borough Council's planning portal under reference number 20/03290/FUL.
