# **A beautifully arranged and deceptively spacious two-bedroom apartment, perfectly positioned along Meadgate Avenue in the ever-popular Great Baddow, Chelmsford — offering that rare blend of comfort, practicality and effortless flow... with just the right amount of charm to make you smile the moment you walk in.**

Step inside and you're immediately welcomed into a central dining hall that confidently takes centre stage — the social heartbeat of the home. It's the kind of space that says "host the dinner party" but also "takeaway on the sofa is absolutely acceptable." Versatile and inviting, it connects each room with ease, creating a layout that just makes sense (no awkward shuffling required).

From here, the apartment unfolds naturally, guiding you through its thoughtfully designed accommodation like a home that already knows how you live.

To the front, the generous lounge is a true scene-stealer. Flooded with natural light and offering impressive proportions (14'7 x 12'4), it's a space that adapts to your mood — whether that's slow Sunday lounging, film marathons, or confidently telling guests "yes, we entertain." The adjoining kitchen is perfectly placed: practical, well-sized and ready for everything from quick coffees to your occasional burst of culinary ambition (we won't judge).

The sleeping accommodation is tucked quietly to the rear, creating a peaceful retreat away from the social buzz. Bedroom one is a calming, generously sized sanctuary — plenty of room to stretch out, switch off, and pretend tomorrow isn't Monday. Bedroom two is the ultimate multitasker: guest room, home office, nursery... or all three, depending on the week.

The bathroom is centrally located and easily accessible — no long journeys required — designed with functionality and simplicity in mind.

Throughout, the layout has been cleverly considered to maximise both space and flow, striking that perfect balance between open living and private retreat. It's a home that works with you, not against you — every room usable, every corner purposeful, and nothing feeling like an afterthought.

Set within Great Baddow — one of Chelmsford's most desirable neighbourhoods — Meadgate Avenue offers that sweet spot between peaceful living and everyday convenience. Local amenities, green spaces and transport links are all within easy reach, making it ideal for professionals, couples or small families who want it all (without the fuss).

This isn't just a property that ticks boxes — it adds a few of its own. Warm, welcoming and quietly confident, it's a home that invites you to settle in and stay a while.

Go on... book the viewing before someone else beats you to it.
