RENTAL APPRAISAL

What rent could be achieved?

Aspire To Move has reviewed the property and similar listings in the area. The property is in need of refurbishment, and our figure below is based on this being completed. We are unable to value a 20 bedroom property, but we can certainly provide understanding of 1-2 bed flats in the area that have rented as we presume this would be the plan of action should an investor purchase the flats.:

1 bed – in the region of £1,200 - £1,400 PCM
2 bed – in the region of £1,400 - £1,600 PCM

Prices are likely to increase should students be considered.

If you would like to discuss this in more detail, then please do not hesitate to contact me on 01225 444333 or email me wmaslin@aspiretomove.co.uk.

BUYER'S PREMIUM

Please be aware all purchasers are subject to a £1,500 + VAT (£1,800 inc VAT) buyer's premium which is ALWAYS payable

upon exchange of contracts whether the sale is concluded before, during or after the auction date.

GUIDE PRICE

An indication of the seller's current minimum acceptable price at auction. The guide price or range of guide prices is given to assist consumers in deciding whether to pursue a purchase. It is usual, but not always the case, that a provisional reserve range is agreed between the seller and the auctioneer at the start of marketing. As the reserve is not fixed at this stage and can be adjusted by the seller at any time up to the day of the auction in the light of interest shown during the marketing period, a guide price is issued. This guide price can be shown in the form of a minimum and maximum price range within which an acceptable sale price (reserve) would fall, or as a single price figure within 10% of which the minimum acceptable price (reserve) would fall. A guide price is different to a reserve price (see separate definition). Both the guide price and the reserve price can be subject to change up to and including the day of the auction.

RESERVE PRICE

The seller's minimum acceptable price at auction and the figure below which the auctioneer cannot sell. The reserve price is not disclosed and remains confidential between the seller and the auctioneer. Both the guide price and the reserve price can be subject to change up to and including the day of the auction.
