The Street

Chipperfield, Kings Langley

Situated in the heart of the ever popular village of Chipperfield, just moments away from local shops, restaurants and Chipperfield Common is this well presented, detached family home, which is being sold without the complications of an onward chain. Boasting spacious and light accommodation throughout, it offers further potential to remodel and extend (STPP).

The ground floor accommodation consists of a welcoming entrance hall, refitted kitchen/breakfast room, guest WC and shower, and a large living/dining room which spans the full width of the rear of the house. Additionally, there is a conservatory that leads on to the garden. To the first floor, there are 4 double bedrooms, all with fitted wardrobes and a refitted bathroom with large walk-in shower.

Externally, the property excels. The South-facing rear garden is particularly private and is made up of a number of separate seating areas, lawned spaces and mature borders. The main patio area is a lovely space to entertain, flowing straight out from the house, and boasts a wooden pergola that is encased with Wisteria. Side access leads to the front of the house, where there is a large front garden with spacious driveway for multiple vehicles and access to the integral garage.
