PRICE £600,000

We are pleased to introduce this spacious, Share of Freehold, two bedroom, split-level maisonette situated on the top two floors of a very quiet residential Victorian terrace in desirable Stroud Green, N4.

Private stairs from the shared entrance staircase lead first to a landing opening onto a large double bedroom facing the rear of the property, then up to a hallway - with ceiling access to loft space included - leading to a generous Reception room, a second compact double bedroom, a contemporary bathroom and a bright, well-appointed eat-in kitchen overlooking the rear gardens of the street.

The property offers great potential and scope for applying individual taste and décor and is presented in a good overall state, with both tiled and laminate timber flooring throughout.

Connaught Road is moments away from the wonderful green spaces of Finsbury Park, close to the independent bars, restaurants and amenities of Stroud Green Road and well served with transport connections: Finsbury Park tube, bus and train station is only a few minutes' walk away (Piccadilly, Victoria lines, large service of bus routes and a multitude of train links including Thameslink to Gatwick Airport and St Pancras International).

This is an ideally located property within this sought-after locality, ready for someone to add their personal touch and make it a lovely home. An early viewing is advised.
