Interior

Ground Floor:

Entering into this hallway you are struck by the large cream porcelain tiled floor and the clean lines this forms. This flows into the main open plan living area that continues from the spacious kitchen area, through the dining zone, into the main seating and relaxation space then out into the garden. A fantastic expanse for socialising and entertaining, bright cool and airy this is the hub of the home that can extend through the double 'French' windows to outside.

The kitchen, with its light azure blue gloss base and wall units, has many integral features including a dishwasher, double oven, 'AEG' gas hob, microwave and fridge freezer.

Along the walls are glass splashbacks above the cream 'Corinthian' worksurface which also forms the moulded sink. The pale, muted colours of downstairs along with the tiles, give a cool and contemporary feel.

The final room, off the hallway, is a utility room with space and plumbing for a washing machine and tumble dryer, storage space and a WC and sink. All very practical for modern needs.

First Floor:

Two generous double bedrooms and a large sunny family bathroom are found on this floor.

Second Floor:

Off the wide landing on the top floor of the building there are two further double bedrooms which are light and bright. A fully tiled shower room with a white suite and shower cubicle service this floor.

Exterior

The block paved driveway encompasses the area to the fore of the property, giving parking space for several vehicles.

The rear garden is secure and low maintenance with fencing on all sides. The paved entertaining and outside dining area adjacent to the house is separated from another more relaxed raised seating area by a low brick wall and an artificial lawn. This bright and very sunny garden, a real sun trap, is ideal for all outside socialising, a relaxation area or childrens play space.
