1 St Judes Close, Englefield Green, TW20 0DE

This rarely available three-double-bedroom detached family home occupies a highly desirable position within a sought-after central village road and comes to the market having been owned and enjoyed by the same family for 50 years. Formerly a 4 bedroom house, the property underwent a refurbishment programme about 10-11 years ago, including amalgamating two bedrooms into one big double. It offers generous and versatile accommodation, with three separate reception rooms, a fitted kitchen, large utility room and downstairs cloakroom.

Upstairs are three big double bedrooms, complemented by a family bathroom and an en-suite shower room, providing superb space for modern family living, with a modern boiler & double glazed windows.

Outside, the property continues to impress with an attached double garage and private driveway, while to the rear lies a particular highlight — a large, secluded garden enjoying a desirable southerly aspect, providing an excellent degree of privacy and plenty of space for entertaining, relaxing and family life. With homes in this central village location seldom becoming available, this is a wonderful opportunity to acquire a much-loved family home with generous proportions, excellent outside space and considerable potential for a new owner to make it their own.

Englefield Green has always been a popular village and even featured as 'one of the nicest places to live' in The Sunday Times a few years ago and has been described as 'a quintessentially English village'. In fact cricket is still played on the village green and can be enjoyed with your favourite tippie sitting outside with the Barley Mow gastro pub! Cycling and dog-walking can be enjoyed in most of Virginia Water and Windsor Great Park, both within easy reach and offering beautiful walks. There is excellent state and private schooling in the area and nearby, including St Jude's C of E, St Cuthberts Catholic school, Bishopsgate and TASIS and ACS International schools. EPC Rating: C.
