Situated on Wheelwright Lane in Ash Green, close to Prologis Country Park and offering easy access to the A444, Arena Shopping Park, and Coventry Arena Train Station, this beautifully presented three-bedroom semi-detached home combines generous living space with excellent outdoor facilities.

The ground floor features a spacious open-plan lounge/diner, filled with natural light from the bay window and offering ample space for both relaxing and dining. Double doors lead through to a snug, creating a flexible additional living area overlooking the rear garden. The long, modern galley kitchen is finished to a high standard and provides plenty of storage and workspace. A downstairs WC completes the ground floor.

Upstairs, there are three well-proportioned bedrooms, including two large doubles and a spacious single, along with a family bathroom.

Externally, the property benefits from a driveway for multiple vehicles and a small front garden. Along the side of the home is a large carport spanning the full length of the property. To the rear, you'll find a generous garden and a substantial double garage with electrics, offering excellent potential for use as a workshop, home office, or possible annex (subject to permissions).
