Property Description

Mount Severn is a locally heritage-listed Art Deco property that beautifully incorporates distinct neo-Georgian elements, including a symmetrical facade, a steep roof, a stone portico, and a centrally placed window with classic louvered shutters. Occupying a prominent and sought-after vantage point, Mount Severn directly overlooks the picturesque War Memorial Park and benefits from views towards Ribbesford, Abberley, and Arley Kings. The property was constructed in 1931 by renowned local builder Thomas Vale & Sons who built Mount Severn as a premiere detached villa, in a style similar to the former Lucy Baldwin Maternity Hospital that once stood just a few hundred metres away.

Offering spacious accommodation throughout, this substantial home is rich in character, enjoys a wrap-around garden and benefits from two garages with extensive parking. The property immediately impresses with its imposing double-fronted facade and mature grounds. Entering through the front door, you are welcomed into an elegant reception hall featuring beautiful wood panelling, parquet flooring, a character staircase and decorative stained-glass windows. To the front of the property are two generously proportioned reception rooms. The well-appointed kitchen/breakfast room is fitted with modern shaker-style units and features a log-effect gas burner with limestone surround. A useful utility room adjoins the kitchen, while the separate dining room provides an excellent space for entertaining. The first floor offers four bedrooms, including three particularly generous double rooms, served by a family bathroom and separate WC. Throughout the property are stunning original features including stained-glass windows, fireplaces, leaded and bay windows, decorative joinery and high ceilings. Outside, beautifully maintained gardens wrap around the property, while a large block-paved driveway leads to two garages with electric roller doors, power and lighting.

Approach/ Parking & Garden

The property benefits from two separate access points, providing convenience for both pedestrians and vehicles. A pathway leads to the impressive front entrance with stone portico, where a beautiful stained-glass door and windows create a striking first impression. Vehicle access is gained via gates opening onto a substantial block-paved driveway, providing ample off-road parking and leading to two garages. Both garages are equipped with electric roller shutter doors, power and lighting. Surrounding the property are beautifully maintained wrap-around gardens, predominantly laid to lawn and

complemented by established shrubs, mature trees and hedging, creating a private setting. A number of seating areas are positioned throughout the gardens, offering ideal spaces to relax and enjoy the surroundings.

Entrance Hall

Leaving a striking first impression, the character-filled reception hall currently used as a library showcases a wealth of original features, including an impressive 180 degree half turn staircase rising to the galleried landing, beautiful wood panelling, parquet flooring and stunning stained-glass windows. Rich in charm and craftsmanship, this welcoming space provides access to the two principal reception rooms and kitchen, whilst also benefiting from a useful understairs cloakroom.
