CHANCE TO OWN A SHOW HOME

Plot 102, The Last Merstone at Lily Cross Farm, offers a rare opportunity to own a beautifully designed show home. Inspired by the popularity of similar layouts, this picturesque double fronted property stands proudly on the street and marks the first home in our Superior Collection.

A centrally positioned hallway and sweeping staircase create an immediate sense of arrival. The light filled family living room and modern kitchen/diner—with a fully integrated kitchen—highlight how thoughtfully this home has been crafted for everyday living and entertaining.

Upstairs, the master bedroom features an en suite and space for fitted wardrobes, forming a peaceful and luxurious retreat. Two further generously sized bedrooms make this an ideal home for growing families.

Lily Cross Farm sits within the charming village of Godshill, surrounded by scenic countryside and a postcard perfect village centre offering a convenience store, bus routes, and a selection of excellent places to eat and drink. The location provides easy access to both Newport—the Island's main hub for shopping and services—and the popular coastal town of Shanklin. A network of footpaths and bridleways connects you to beautiful rural routes, neighbouring villages, and beyond.

With ample parking and a prime position, Plot 102 blends comfort, convenience, and character, making it an exceptional choice for anyone seeking a new home on the Island.
