Introducing The Azurite

The Azurite is an impressive five-bedroom detached home, thoughtfully designed to provide spacious and versatile accommodation with a contemporary finish. Combining generous proportions with carefully considered living spaces, it offers an ideal setting for modern family life.

At the heart of the home is a striking open-plan sitting and dining area, extending across the full width of the property and featuring a double-height sloping ceiling. Two sets of bi-fold doors open directly onto the patio and garden, creating a seamless connection between the indoor and outdoor spaces. A well-appointed kitchen with island unit provides a sociable setting for everyday living. A generous lounge with bay window provides a further reception room. A cleverly designed utility room, concealed behind a discreet door and a cloakroom complete the ground floor accommodation.

To the first floor, four well-proportioned bedrooms are arranged around a spacious landing. One bedroom benefits from an en-suite, whilst a contemporary family bathroom serves the remaining bedrooms. The second floor hosts the master suite with dressing room and further en suite shower room.

Outside, the property benefits from a generous garden and substantial driveway, together with a double garage arranged over two storeys with a versatile studio above. Finished to a high specification, including an Omega kitchen with NEFF appliances, real oak veneer doors and carefully appointed bathrooms, The Azurite offers an impressive and flexible family home within the sought-after Abbey Park development.

These homes feature contemporary fitted kitchens offering a wide choice of cabinet, handle and worktop styles (quartz to all 4/5 beds), complemented by soft-close doors and drawers with matching worktop upstands (subject to build stage, housetype or plot specification). Each kitchen is equipped with an integrated NEFF oven and induction hob with concealed extractor, integrated dishwasher and fridge/freezer (standard on 4/5 beds), stylish resin bonded granite one-and-a-half bowl sink with flexible hose tap, tiled flooring with selected choices available, and LED downlighters with under-cabinet lighting for a bright, modern finish.

Bathrooms, en-suites and cloakrooms are designed with modern white sanitary ware and chrome fittings throughout, sleek vanity units, and contemporary ceramic wall tiling. En-suites include thermostatic chrome showers with low-profile stone resin trays, while bathrooms and en-suites benefit from anthracite heated towel rails.

Homes are further enhanced by a high-efficiency air source heating with zoned thermostat controls and underfloor heating to ground floor (4/5beds).

Woodhall Spa

Charming Village Life

Woodhall Spa is amongst the most desirable locations in Lincolnshire. It's a former spa town and has a genteel Victorian-Edwardian elegance with a delightful centre lined with small boutique shops and eateries. There's also the beautiful Petwood Hotel with a host of dining and entertainment facilities and plenty of public houses, both in the town and the surrounding villages, to choose from.

The golf courses are a great attraction with the National Golf Centre (Woodhall Spa Golf Club) being the home of English golf. The historic 'Hotchkin' course is often ranked amongst the top courses in the world and is a fine course to play. It's been an inspiration both to future champions and to golf course designers alike.

For families there are endless walks in the stunning countryside, Jubilee Park with its outdoor swimming pools, trips to the nearby coast or shopping in the historic city of Lincoln. There's even the 'Kinema In The Woods' which is an experience in itself.

Regarding public transport there are regular bus services to Lincoln and Boston and if you're wanting to go further afield trains to London from Lincoln take less than two hours.

Education is served by a Church Of England primary school and there's also a private nursery and school. Secondary schooling is provided in nearby Horncastle or Tattershall.

Overall Woodhall Spa offers a great location for either raising a family or retiring to the stunning countryside.

The Lincolnshire Wolds and The Coast

Recognised as an Area of Outstanding Natural Beauty (AONB), the Wolds is ideal for those who appreciate outdoor activities like walking, and cycling with miles of scenic trails and bridleways weaving through its charming villages and farmland. Towns and villages like Louth, Market Rasen, and Alford offer a blend of rural charm and modern convenience, with a strong sense of community, and an array of amenities, including shops, cafés, and pubs. The region is known for its excellent primary and secondary schools, making it particularly attractive for families.

Stretching for miles, the Lincolnshire coastline is home to stunning beaches, nature reserves, and picturesque villages, providing an ideal setting for those seeking a more relaxed, rural lifestyle. Areas like Skegness, and Mablethorpe offer thriving local communities, great schools, and a variety of amenities. The region's natural beauty, including the renowned Gibraltar Point National Nature Reserve, makes it perfect for outdoor enthusiasts, with opportunities for walking, birdwatching, and cycling.
