The Accommodation

Access to the property is directly from the street with the front door opening into the spacious living room which has a uPVC window to the front aspect, multi fuel stove set on a tiled hearth with tile clad fireplace and radiator. Off the living room is the kitchen, comprising a range of base units with wooden worktops, timber cladded walls and space for a cooker with overhead extractor and other white goods.

On the first floor you will find two generous sized double bedrooms, one above the living room with feature fireplace and the other bedroom above the alley. The bedroom above the living room is the largest and is also complete with fitted wardrobes. The family bathroom is in the process of being upgraded with a new three piece suite already installed including a bath, WC and hand wash vanity unit.

Externally there is a wide lane which provides access from the front to the back. The neighbour at No.10 has a pedestrian right of access. There is also a large detached barn, which subject to planning, could be converted into a residential dwelling or has many other uses including a workshop or just general storage. The rear yard is a private space with raised plant beds and timber decking for outdoor dining.
