

VENDITUM

RESIDENTIAL SALES

EST. 2004

9A Bedwin Street

Salisbury, SP1 3UT

£250,000

A mixed use unit located within this quiet city centre street holding a wealth of possibilities and potential. The former comprises a ground floor commercial unit which is currently dilapidated but benefits from private direct access from the pavement, on the first and second floors is a 2/3 bedroom maisonette with private access from the rear of the building. The residential unit offers flexible accommodation with a great deal of character along with the huge bonus of a roof terrace, however the property does require updating. There is huge potential for residential redevelopment (subject to planning) or to refurbish the building and retain the mixed use arrangement. The property will be sold with vacant possession.
