Property Introduction

A rare opportunity to acquire a property close to Mousehole harbour requiring modernisation.

This two bedroom maisonette offers spacious accommodation arranged over the first and second floors of the building. The entrance hall gives access to the bathroom, living room and kitchen and upstairs one will find two generous bedrooms.

To the rear of the property there is a walled communal patio enjoyed by the residents of Dolphin Court.

The property is being sold with NO FORWARD CHAIN and we suggest viewing at your earliest opportunity to avoid disappointment.

Location

Dolphin Court is situated close to the harbour and village amenities along with the beaches and the South West Coast Path. Historically Mousehole was one of the principal ports of Mount's Bay until the village was destroyed by the Spaniards in 1595. Today, Mousehole is a wonderful place to live and the locals are very proud of their village that enjoys a great sense of community.

The harbour enjoys two small sandy beaches that are popular with locals and tourists alike, the next village Newlyn, lies just two miles away and the larger market town of Penzance is approximately three miles distant, both are on the bus route from Mousehole.
