Freshfields is a truly exceptional detached home, occupying a superb position on Hermitage Lane, one of the area's most desirable roads, renowned for its collection of individually designed and bespoke detached properties.

Having undergone a comprehensive scheme of extension, reconfiguration and improvement, the house has been completely overhauled and reimagined to create a beautifully finished and exceptionally versatile home designed around modern family living.

The result is a property that combines generous proportions with a contemporary, open-plan layout, whilst making the very most of its enviable position, with far-reaching open-field views, excellent privacy and a particularly deep frontage, accessed via electric gates, providing extensive and secure off-road parking.

Extending to approximately 2,929 sq ft, the accommodation is arranged over two floors. The ground floor is centred around an impressive open-plan living, dining and kitchen space, creating a superb hub for everyday family life and entertaining. The kitchen is beautifully integrated into the wider living space, whilst three well-proportioned bedrooms, a family bathroom, dressing room and utility room provide excellent flexibility. The ground floor also benefits from wet underfloor heating throughout.

The first floor is accessed via an attractive paddle-style staircase and provides a remarkable additional level of accommodation, including a large living room/study of almost 37ft in length and a separate gym. This flexibility makes the house particularly well suited to those requiring generous home-working, entertaining, leisure or family space.

Outside, the property continues to impress. The beautifully landscaped gardens provide a wonderful private setting, with the rear garden particularly well designed for entertaining and family enjoyment. A large sprawling patio, built-in pizza oven and substantial pergola create an exceptional outdoor living area, while the surrounding gardens provide plenty of space and privacy.
