ELEGANT PERIOD- CONTEMPORARY TOWNHOUSE

This elegant Grade II-listed townhouse, originally constructed in the 1820s, extends to approximately 2,780 sq ft across five floors and marries refined period character with striking contemporary design in a prestigious central location. Many rooms benefit from exceptional ceiling heights, most notably the first-floor drawing room, which offers dual-aspect views over both the beautifully maintained garden square and the exclusive private rear garden.

The garden room features a dramatic 4.5 m-high ceiling and enjoys views over both the beautifully maintained garden square and the expansive private rear garden, while the top-floor bedroom is enhanced by a pitched roof, both contributing to an overarching sense of light and space.

CONTEMPORARY FAMILY HOME VERSATILITY

On the ground floor lies a sleek designer kitchen and breakfast area, flowing seamlessly into an open-plan reception space and then into a generous dining area within a modern glass conservatory that opens directly onto the garden—ideal for indoor-outdoor entertaining. Accommodation comprises five bedrooms: a luxurious principal suite occupies the second floor; two further bedrooms and a family bathroom are located on the top floor; and the lower-ground level offers flexible space suitable as an additional bedroom, an office or a further reception room.
