Description

Robert Luff & Co are excited to present this spacious and very well presented end of terrace Townhouse, enviably located backing onto the River Adur on ever popular Shoreham Beach. Shoreham town centre with its fine array of independent shops, cafe's, bars and restaurants is within a short walk and the beach is just a few hundred yards away. The generous accommodation comprises: Entrance porch, entrance hall, shower room/WC, modern fitted kitchen with integrated appliances and patio doors opening onto the garden, triple aspect living room with South/Westerly aspect balcony, primary bedroom with built in furniture, family bathroom with underfloor heating and three further bedrooms. Outside, there is an attractive, low maintenance rear garden, driveway with ample off street parking and EV charging point leading to the internal garage. Many similar properties in the road have converted the garage into both living space ie kitchen diner or self contained holiday rentals. The property benefits from a new (December 2024) combination boiler and superb river views from the rear. VIEWING ESSENTIAL!!
