The property is accessed via a communal entrance with an entry phone system, with stairs leading to the first floor. There is a private entrance door leading into a small hall, which in turn leads to the living space. The living area features an east-facing bay window with double glazing and a radiator.

There is a separate kitchen fitted with a modern range of units with contrasting work surfaces, space for a freestanding cooker and washing machine, a radiator, and two double-glazed windows.

There is also a white shower room comprising a corner quadrant shower cubicle, low-level WC, and wash hand basin.

Outside, the property benefits from an allocated parking space within a compound adjoining the rear of the property.

A spacious studio apartment, offered to the market in our opinion in good, clean decorative order throughout.
