THE PROPERTY

Step inside this delightful home and you'll see how this classically styled house benefits from many improvements whilst retaining some character features. The owner has had the fuseboard changed, there are new floor coverings and carpets throughout and sash style Upvc double glazed windows retain its original look but with excellent benefits. The living room is at the front and has a beautiful working open fireplace with a separate dining room that looks onto the back garden. In this room, there's a very attractive log burner with surround and a cosy understairs space that affords the chance to sit and immerse yourself in a good book! The kitchen matches the era of the house's age and has plentiful storage and cooking space with ample room for appliances too. A small rear lobby contains a useful Pantry and coat rack and provides access into a very nicely fitted bathroom with natural light and ventilation. Upstairs, you'll find 2 double bedrooms, the front bedroom has newly fitted wardrobes and a separate airing cupboard housing the boiler and hot water cylinder.

THE GROUNDS

Outside, gated access from the side takes you into the back garden, very secluded and planted out with well stocked flower beds and shrubs on a lawned area. A useful shed will be found here too.
