Stepping inside through a part glazed front door, you are welcomed directly into the lounge diner, a generous open plan reception space extending to over twenty one feet in length. A front facing window brings in natural light, while a fitted carpet runs underfoot. Stairs rise to the first floor, set to one side, and an opening leads through to the kitchen. A contemporary fireplace with a timber surround and inset electric fire creates a focal point within the seating area, with a fully working fireplace and chimney located behind, offering the option to reinstate a log burner or open fire if desired.

The kitchen has been newly fitted and remains in pristine condition. It is arranged with a range of grey wall and base units topped with wood-effect work surfaces, complemented by patterned tiled splashbacks. An integrated oven sits below a fitted hob with an extractor above, and there is a stainless steel sink with a drainer set into a central island-style unit providing additional storage. A skylight window overhead increases natural light, and a part-glazed door gives access to the rear garden. There is visible space and plumbing for white goods beneath the worktop. Tiled flooring completes the room.

To the rear of the ground floor, the bathroom has also been newly installed and is presented in equally fresh condition. It is fully tiled with large-format wall tiles and decorative vertical feature panels. The suite comprises a panelled bath with mixer tap, a separate shower enclosure with wall-mounted shower, a vanity unit with wash basin, and a heated towel rail. A frosted window provides light and privacy. A separate WC is finished in matching tiling and fitted with a low-level WC, and wall mounted hand basin, also with a frosted window.
