Simpson & Weekley

A highly sought after bay fronted terraced house with three bedrooms and a first floor bathroom. The character of this property is immediately evident from the moment you enter the house with it's original quarry tiled flooring. The entrance hall leads to a light and airy lounge which is open plan to the dining room and a fitted modern kitchen links the living space to a further reception room ideal for use as a study, breakfast room or snug with French doors to the rear garden. The first floor landing leads to a large master bedroom, two further bedrooms and a family bathroom. Externally the small frontage sets the property back from the street and an enclosed rear garden provides a low maintenance retreat ideal for relaxing and entertaining. A property that simply has to be seen to be fully appreciated.
