This beautifully extended home is designed for today's lifestyle, blending generous space with smart upgrades. With underfloor heating, induction hob, double oven, water softener, integrated wine cooler, and space for all your appliances, the kitchen is truly the heart of the home.

Every bedroom comes with built-in wardrobes, ensuring style & storage go hand in hand. The first floor features a luxurious master suite & a second double bedroom, both with en-suites, one was upgraded recently. Upstairs, two further spacious doubles also enjoy fitted wardrobes, alongside a spa-inspired family bathroom with Jacuzzi tub and shower.

The garage has been transformed into a fully powered office/media room, perfect for remote working, gaming, or movie nights. The rear garden is a private retreat, finished with Indian sandstone paving, artificial lawn, and raised sleeper beds for a chic, low-
