Glyn-Jones

Glyn-Jones and Company are delighted to offer for sale this spacious detached family home, which has been subject to a considerable programme of home improvements by the current vendor over the last few years. These include replacement double glazing and front door, a new electricity consumer unit, LVT flooring to the ground floor, replacement gas-fired central heating and recent redecoration.

The well-presented accommodation comprises an entrance hall with stairs rising to the first floor, a bright and spacious lounge/diner with a feature oriel bay window overlooking the front and French doors opening onto the rear garden. The modern fitted kitchen is well equipped with a range of base and eye-level units, oak block work surfaces, ceramic sink with mixer tap, integral hob, double oven and dishwasher, together with a plinth fan heater. The hob is currently gas, however, the vendor informs us that a separate ring main supply is available should a future purchaser prefer to install an induction hob. A useful cloakroom completes the ground floor accommodation. To the first floor the landing benefits from a built-in cupboard housing the boiler, and provides access to four good-sized bedrooms. The master bedroom features sliding-door built-in wardrobes. There is also a modern family bathroom with a deep bath and shower.
