Westbank Road, Birkenhead

Elegant and accessible, manageable but spacious - ground floor flats like this do not come up often, especially ones in such a popular area, with such great transport links and with so much potential. So, what are you waiting for? Make the move - we'll help you every step of the way.

Property Description

Whether you are looking to downsize or looking for your first ever home this spacious ground floor is sure to set your heart aflutter!

Located on the popular 'bank' roads the property benefits from classic high ceilings and has a light and airy feel throughout. The two generous bedrooms and two reception rooms offer plenty of space to spread out, perfect for those who don't want too much to maintain but equally don't want to feel cramped.

It helps as well that the flat has its own private entrance that leads out into the garden, shared but very secluded and a perfect place to enjoy a spot of sunshine. In the garden there is also a brick outhouse for added storage, though there is plenty of that back inside.

In need of updating this property would be perfect for those who don't want to be paying for someone else's taste but would prefer to have the chance to do it up the way they like. Whether you have decorated ten houses before or this would be your first chance to unleash your inner interior decorator you could hardly ask for a better canvas.
