Your friendly property manager is on site regularly and will respond to all queries within one working day. If we can't solve them immediately, we'll be clear about what we propose to do and when. Ensuring you peace of mind at all hours of the day and over the weekend, we provide an emergency hotline for afterhours care, should an emergency arise you will have an out of hours point of contact.

Sustainable and ethical

We know there's no Planet B, so we're determined to do things properly from the start. We'll always meet, or exceed, green building standards now and in the future. We're minimising waste, noise, pollution and disruption when we build, and incorporating features that help our residents live greener – needing less energy to run their homes.

Customer Focussed

We want to make your letting experience as positive as possible for you and have therefore created additional offerings for residents at Plaistow Hub. Plus, you can contact our team via the app as well as by telephone or email.

All our residents can sign up to Credit Ladder – this scheme reports rent payments to the four biggest UK credit reference agencies. This assists you to build up a high credit score which can help you to access finance at better rates and secure a mortgage should you wish to purchase your own home in the future.

We understand the moving process can be stressful and we aim to make this as smooth as possible for you. We offer bespoke furniture packs providing you with stylish furniture for your home which will be in the flat for when you move in.
