This three-bedroom mid-terrace property features one reception room and one family bathroom, offering practical living space. The front elevation presents a stone or light-coloured brick exterior with brown window frames and a matching front door. A tarmac driveway provides convenient off-road parking, complemented by a small lawned area with decorative stones.

Upon entering, the hallway features wood-effect flooring and leads into the main reception area. The living room is illuminated by a bay window and includes a feature fireplace surround, offering a focal point. This room benefits from wood-effect flooring and provides access to the stairs leading to the first floor, as well as an archway connecting to the kitchen-diner.

The open-plan kitchen-diner comprises cream shaker-style base and wall units with wood-effect worktops and a grey tiled splashback. Integrated appliances include an oven and hob, with provision for a washing machine and fridge/freezer. The dining area provides space for a table and chairs and features French doors that open directly onto the rear garden.

The first floor accommodates three bedrooms, all carpeted, and the family bathroom. The main bedroom features fitted mirrored wardrobes and a large window. The additional two bedrooms are well-proportioned, suitable for single occupancy or use as a study. The family bathroom is equipped with a white three-piece suite, including a toilet, basin, and a bath with an overhead shower and screen, complemented by white wall tiling.

Externally, the rear garden is enclosed by wooden fencing, providing a private space. It includes a paved patio area immediately outside the French doors, ideal for outdoor seating, which transitions to a gravelled section containing various potted plants and a metal garden shed, offering additional storage.
