SITUATION & AMENITIES

The property is situated off an un-made country lane, which eventually becomes unpassable by vehicles and doubles up as a footpath, allowing access to Woolacombe beach – about 1 ½ miles away. The property is surrounded by open countryside and just a short drive away from the golden sands of Putsborough Beach, as well as the pretty village of Georgeham with its quaint pubs and village shop. Georgeham and surrounding parish, is in an area of Coastal Preservation and Outstanding Natural Beauty. A little further afield are the equally popular beaches and surfing resorts of Croyde and Saunton (also with Championship Golf Course). Braunton village is about 4 miles and offers an excellent range of facilities providing for day-to-day needs, as well as Tesco supermarket and health centre. The coastal resort of Ilfracombe is also easily accessible. Barnstaple, the regional centre, is about 10 miles and houses the area's main business, commercial, leisure and shopping venues, as well as Pannier Market, live theatre and district hospital. The natural beauty of Exmoor is about 11 miles. The County City of Exeter is about 50 miles and Jct.27 of the M5 Motorway about 75 minutes. Tiverton Parkway offers a fast train service to London Paddington in just over 2 hours. The nearest international airports are at Bristol and Exeter. The area is well served by excellent state and private schools, including the renowned West Buckland school.

Externally there is an excellent detached garage of matching cavity construction to the house, which incorporates double garage/workshop with storage above. This has provision for plumbing and could potentially be converted into ancillary accommodation, subject to planning permission.
