PROPERTY DESCRIPTION

The accommodation comprises an entrance vestibule, hallway, spacious bay fronted living room, dining room and a large kitchen with access to the rear yard. To the first floor are three well-proportioned bedrooms and a family bathroom.

Internally, the property requires comprehensive modernisation and refurbishment throughout, offering purchasers the opportunity to redesign and renovate to their own specification. Despite its current condition, the property retains a number of original features, including fireplaces, bay windows and period detailing, providing an excellent foundation for an impressive restoration.

Externally, the property benefits from a front forecourt and a rear yard, providing access to an extensive additional garden beyond. This additional area of garden is held under a separate title and there may be an opportunity for an interested purchaser to acquire it by separate negotiation, subject to agreement.

This is an ideal purchase for developers, investors or buyers searching for a rewarding renovation project in a sought-after residential location.
