CURATED INTERIOR SPECIFICATION

The property was comprehensively refurbished in 2024 under the direction of Cambridge interior designer Sara Slade Interiors, with the ground floor opened up to create a single kitchen, dining and living space. The bespoke kitchen was designed and made to measure by ParkerRose Interiors of St Ives, with custom painted shaker cabinetry, brass hardware, stone worktops and splashbacks, a Quooker boiling-water tap, and integrated Siemens, Miele and Bosch appliances including an XL fridge freezer. Fitted joinery throughout includes a painted media wall with open shelving, a built-in dining bench with storage, and bespoke wardrobes, shelving and a desk in each bedroom. All three bathrooms were refitted with Duravit sanitaryware, wall-hung vanity units and Hansgrohe brassware in a brushed brass finish. The decorative scheme combines Sanderson x Disney Home wallpaper, panelling, new column radiators, brass wall lights and statement ceiling lights, French oak flooring to the ground floor and wool carpet to the stairs and landings. The house was fully re-roofed in the same year, with new internal doors, skirtings, lighting and electrics throughout. A Wiser wireless zoned heating system serving the first and second floors.

The sale includes all furniture, furnishings and window dressings as photographed, together with the wall-mounted Sony 65-inch smart TV in the living room, the Samsung 55-inch smart TV in the principal bedroom, and the Arlo and Verisure alarm and CCTV camera system.

Energy Efficiency Rating		
	Current	Potential
Very energy efficient - lower running costs
