OVERVIEW

** GUIDE PRICE: £550,000 - £600,000 **

A well-proportioned three-bedroom home set on a generous plot in Eight Ash Green, offering a balanced layout with a sitting room, dining room, kitchen and conservatory. Complete with a double garage, workshop with electricity and two greenhouses, it presents excellent outdoor space and versatility.

STEP INSIDE

An entrance hall provides a welcoming introduction, with access to a useful cloakroom. The sitting room is a comfortable and inviting central space, featuring a fireplace that creates a natural focal point, while doors open directly into the conservatory. This connection allows light to flow through effortlessly, enhancing the sense of space and creating a bright, airy environment.

The kitchen is thoughtfully arranged with practical work surfaces and storage, positioned conveniently beside the dining room. The dining room offers a well-defined setting for both everyday meals and more sociable occasions, with an easy flow between the two spaces.

There are three well-proportioned bedrooms. The principal bedroom is well-sized, while two further bedrooms offer flexibility for family, guests or home working. Two of the bedrooms benefit from generous built-in wardrobes, providing excellent storage. A well-appointed family bathroom serves the home, notably spacious and fitted with both a separate bath and shower, adding to the overall practicality of the layout.

STEP OUTSIDE

The property enjoys a generous plot, offering ample outdoor space to enjoy and adapt. The garden provides scope for landscaping, growing or simply relaxing.

A double garage adds substantial storage and parking, complemented by a separate workshop with electricity, ideal for hobbies, projects or additional workspace. Two greenhouses support keen gardeners and enhance the outdoor offering.
