This spacious home was built in 2014 and has been superbly maintained and improved by the present owners. The property features a downstairs WC, off-road parking for 2 cars, side access to the rear garden, an EV charging point and a low maintenance west facing rear garden with water feature (Ideal for afternoon and evening sunshine). Other notable features include bike storage to the side of the house, a Harvey's water softener for the whole home and smart features to give remote access to security cameras, lighting & heating.

The property is one of five homes forming part of a private development, making it a nice private location to live in. The accommodation comprises a 23' principal bedroom with en-suite shower room & ample eaves storage, a further en-suite double bedroom, two further double bedrooms, a stylish three-piece family bathroom suite, a generous entrance hallway with understairs storage, an 18' contemporary kitchen/breakfast room with interconnecting doors and a spacious 19'4 x 14'9 reception room with bi-folding doors that lead directly onto the private rear garden.

Furthermore, this property sits within an easy reach of both Shirley & West Wickham streets, with their plethora of local shops, cafes & restaurants and is nearby to several local parks & green spaces. Families will also appreciate the property's proximity to several well-regarded local schools, both primary and secondary.
