About the property

Note: Some external images have had grass digitally enhanced for marketing purposes. Rarely available, this impressive four-bedroom detached house has been completely remodelled during 34 years of ownership to create a substantial and highly individual family home. Offering approximately 1,758 sq ft including the garage, the property combines generous living space with a superb open-plan kitchen, dining and family area, a separate living room, flexible study space, two shower rooms and an attractive enclosed garden. The heart of the home is undoubtedly the extensive open-plan kitchen, dining and family space. The contemporary kitchen is fitted with an excellent range of sleek units and quartz worktops, together with a built-in oven, separate combination oven, ceramic hob, integrated fridge/freezer, dishwasher and washing machine. There is also a water softener and a curved breakfast bar providing additional seating and workspace. The kitchen opens naturally into a generous dining and family area, creating an excellent setting for both everyday family life and entertaining. This superb open-plan space also includes an additional area overlooking the garden, offering excellent potential as a study or home office. Multiple windows provide plenty of natural light, while doors lead to the rear garden and the ground-floor WC. Positioned at the front of the house, the separate living room measures approximately 17'3" x 12' and features a wide window and fireplace, providing a comfortable room in which to relax. The ground floor also includes useful built-in storage. An attractive oak and glass staircase rises to the first floor, where the spacious landing leads to four bedrooms. The principal bedroom is an outstanding size, measuring approximately 15'2" x 14'6" and benefiting from its own en-suite shower room. Two further bedrooms are comfortable doubles, while the fourth would make an ideal child's room, nursery or additional study. A family shower room completes the first-floor accommodation.

Outside, the property is set back behind a neatly arranged front garden, with a driveway providing off-road parking and access to the integral garage.
