| Energy Efficiency Rating                    |   | Current                 | Potential |
|---|---|-------------------------|-----------|
| Very energy efficient - lower running costs |   |                         |           |
| (92 plus)                                   | A |                         |           |
| (81-91)                                     | B |                         |           |
| (69-80)                                     | C |                         | 81        |
| (55-68)                                     | D |                         |           |
| (39-54)                                     | E |                         |           |
| (21-38)                                     | F | 74                      |           |
| (1-20)                                      | G |                         |           |
| Not energy efficient - higher running costs |   |                         |           |
| England & Wales                             |   | EU Directive 2002/91/EC |           |
