A superbly presented and extended four bedroom detached family home located within a highly sought-after location and within Walton High School catchment.

NO UPWARD CHAIN

This superbly presented and largely extended four bedroom detached family home sits proudly on Winsford Crescent on the ever popular Hillcroft Park development in Stafford. This location is one of Stafford's most sought-after locations due to the close proximity to a range of shops and local amenities. It is also well placed for Cannock Chase - An Area of Outstanding Natural Beauty, a haven for wildlife and a wonderful place to walk and cycle. For families the local schooling is excellent, it falls in the catchment for Oakridge Primary, awarded 'Outstanding' in its latest Ofsted rating and for secondary education it falls in the catchment for the highly regarded Walton High School. Stafford town centre is home to a range of supermarkets, high street shops, bars and restaurants in addition to an intercity railway station offering regular services to London Euston taking approximately 1 hour 20 minutes. Junctions 13 and 14 of the M6 provide direct access into the national motorway network.

The entrance door opens into the welcoming hallway with stairs rising to the first-floor landing, an understairs WC, tiled flooring and doors off into the living room and the open plan kitchen/diner. The light and inviting living room has carpeted flooring, ceiling light point, bay window to the front aspect and a feature fireplace housing the feature fire, with space for a television. The heart of the home is the impressively extended open plan kitchen/diner with a beautiful breakfast island, an extensive range of matching wall and base units with quartz worksurfaces over, and a generous selection of integrated appliances. There are spotlights to the ceiling, bi-folding doors opening out to the rear garden, window to the side aspect, and doors off to the utility room and family room. The family room is a versatile second reception room which could alternatively be used as a children's playroom or home office.

Upstairs, there are four well proportioned bedrooms; three doubles and a single. The master bedroom benefits from its own dressing room. Completing the first floor is the modern family bathroom.

Outside, to the front of the home is a lawn and two driveways providing ample off-road parking and access into the integral garage with an electric roller door. To the rear is a spacious enclosed garden with a large paved patio seating area, extensive lawn, various raised flower beds and a summerhouse.
