THE PROPERTY

South Riding is an impressive single storey residence offering immense privacy with pleasant views across the adjoining countryside. Over the past twenty years the accommodation has been remodelled and extended to offer close to 2300 sq ft of useable accommodation which is highly adaptable and can be reconfigured to suit prospective purchasers' requirements. The property feels light, bright and airy, with many rooms enjoying dual aspects, while the garden room features the clever use of velux windows and a wall of glass looking out over the westerly facing gardens. Externally is equally as impressive, with a modern double garage incorporating the owner's art studio.

ACCOMMODATION

Steps lead up to the front door where on entering you appreciate the space that South Riding has to offer. The stunning entrance hallway runs from front to back and incorporates the garden room with a contemporary woodburning stove and part vaulted ceiling. There are a good number of useful storage cupboards within the entrance hallway which has also been used as an additional dining space. To your left are three double bedrooms, two of which offer en-suite facilities, and a family bathroom with white suite and extensive tiling. On the opposite side of the hallway, the formal sitting room looks out over the mature front garden with a box bay window and woodburning stove. A small study is located beside the sitting room. The kitchen and dining room enjoy a semi open plan feel and provide great space to entertain. Fitted with a comprehensive range of oak front units with granite works surfacing, an oil fired Aga and two sink units. There is ample space for a good size dining table.

OUTSIDE

From the lane side a gated driveway bisects the formal lawned gardens with a gravelled driveway leading to the front elevation, parking area and garage. Along the northern boundary is a run of timber framed outbuildings for improvement, these include two garden sheds, summerhouse and an open fronted haybarn with store. There is a productive soft fruits cage and wildlife pond. Immediately to the rear of the bungalow is a paved seating area which enjoys a westerly aspect with steps leading to an area of formal lawned garden. Beyond the gardens and running in a westerly direction is the pastureland, divided by post and rail fencing into three sections, one of which includes a field shelter. An established apple orchard sits closest to the property. The whole area of the property and its grounds amount to 2.48 acres (1.0 ha).

DOUBLE GARAGE & ART STUDIO

The former garage was replaced some 15 years ago with generous double garage with attached art studio and gardener's cloakroom. The art studio enjoys views over the gardens and has a single sink unit. While the garage features eaves storage space. External and internal power points. Subject to obtaining planning the garage and art studio could provide an excellent annexe opportunity.
