## Asking Price Of £315,000

- Third-floor apartment within the sought-after Rope Quays development
- Two spacious double bedrooms
- Two bathrooms including en-suite facilities
- Bright open-plan living and dining area

Located within the sought-after Rope Quays development, this spacious third-floor apartment offers two double bedrooms, two bathrooms and an impressive 60 square metre balcony with far-reaching views.

Located within the popular Rope Quays development, this well-presented third-floor apartment offers spacious accommodation, impressive harbour views and a substantial 60 square metre balcony. The property includes two double bedrooms, two bathrooms, a separate study/home office and secure gated parking, and is offered to the market with no forward chain.

Accessed via a secure and well-maintained communal entrance with lift access to all floors, the apartment opens into a generous entrance hall providing access to all principal rooms.

The main living space consists of a bright and spacious open-plan living and dining area with direct access to the balcony, alongside a modern fitted kitchen with a range of integrated appliances and ample storage. Large windows allow plenty of natural light while making the most of the views across Portsmouth Harbour.

Both bedrooms are good-sized doubles and benefit from en-suite

facilities, making the layout well suited to both owner-occupiers and guests. In addition, there is a separate study/home office, ideal for remote working, which leads through to a useful utility room.

A key feature of the property is the large balcony, providing plenty of outdoor space for seating and entertaining while enjoying far-reaching views across Portsmouth Harbour and beyond.

Further benefits include one allocated parking space, secure entry system, lift access and no forward chain. Apartments within Rope Quays offering this amount of outside space and harbour views are rarely available, making early viewing highly recommended.
