For sale by Informal Tender

The land extends to approximately 15.92 acres and comprises a well-defined, ring-fenced block of predominantly good quality grazing pasture. Within the holding there is approximately 2.06 acres of natural scrub and wetter ground, offering ecological interest and potential for enhancement.

Adjoining productive agricultural land, the property presents an excellent opportunity for further improvement and management to suit a variety of agricultural or amenity uses. A hardstanding track runs through the land, with the property benefiting from a right of way to a convenient access point, complete with a cattle grid.

The land is offered as a versatile parcel without a mains or natural water supply, and without fixed agricultural buildings or handling facilities, allowing an incoming purchaser flexibility to develop the holding to their own requirements.

A 400kV electricity pylon is located within the land. Boundaries are well defined by a combination of hedgerows, traditional stone walling and fencing.

Access is provided via a right of way over adjoining land, with the remaining section of the track retained within the same ownership, ensuring a practical and established approach.

METHOD OF SALE

The land is offered for sale by informal tender. The deadline is 12 noon 7th May 2026. Tender forms to be submitted in a sealed envelope marked 'PRIVATE & CONFIDENTIAL - Land at Cefn Poeth Bach' and delivered to our office at M-Sparc, Gaerwen, LL60 6AG
