PROPERTY SUMMARY

A home that just feels right!

If you're looking for a house that needs nothing doing before you move in, this beautifully presented three-bedroom detached property deserves a closer look. It has a really good balance of space, style and practicality, with some lovely features that make it easy to picture yourself living here.

The living room provides a comfortable space to escape to, while the kitchen/diner is where we think you'll spend most of your time. The modern kitchen offers plenty of storage and workspace, with the open-plan layout giving you room to cook, eat and relax together. Large bi-fold doors open straight onto the garden, bringing plenty of natural light into the room and making summer evenings with friends and family even better. There's also a useful utility room and downstairs WC.

Upstairs are three genuine double bedrooms, with the main bedroom benefiting from fitted wardrobes and its own en-suite shower room. The remaining bedrooms offer plenty of flexibility, whether you need space for children, guests or a home office, with a separate family bathroom completing the first floor.
