## Location

Regent Place is ideally located within walking distance of both Rugby town centre and Rugby railway station. Rugby town has a good selection of high street and independent shops, as well as restaurants, bars, coffee shops and leisure facilities. State funded and independent schooling is available within the town or a short bus journey away, with Lawrence Sheriff and Rugby School both being within walking distance. The property is well positioned for the commuter with easy access to road and rail networks, including M1, M6, M45, A14 and A45. Rugby railway station offers a frequent high speed train service to London Euston in just under 50 minutes, as well as regular services to Coventry, Birmingham, Northampton, Milton Keynes and the north.

## Ground Floor

Upon entering the property, you are welcomed by an impressive entrance hall featuring attractive Minton-style flooring, setting the tone for the character found throughout the home. A decorative moulded arch with ornate corning enhances the period charm, while a staircase rises to the first floor and doors lead to the ground floor accommodation. The beautifully presented open-plan sitting/dining room offers generous and versatile living space, ideal for both everyday family life and entertaining. Finished with luxury herringbone flooring, the room enjoys an abundance of natural light from the attractive bay window to the front elevation. Two characterful brick-built feature fireplaces provide focal points within the room, one of which is currently in use and fitted with a wood-burning stove set upon a charming mosaic-tiled hearth. A door to the rear provides direct access to the garden. The kitchen has been thoughtfully refitted to a high standard, featuring a comprehensive range of shaker-style cabinetry complemented by pan drawers, integrated cutlery storage and elegant quartz marble-effect work surfaces. Continuing the herringbone flooring from the kitchen into the adjoining utility room creates a seamless flow throughout the space. Further features include a Blanco Belfast sink, integrated waste bins, integrated dishwasher, extractor hood, and space for a Range-style cooker and American-style fridge/freezer. Accessed from the kitchen, the useful cellar provides excellent storage space, while the adjoining utility room offers further practicality. Beyond, the cloakroom is fitted with attractive tiled flooring and comprises a low-level WC and wash hand basin set within a stylish shaker-style vanity unit.

## First and Second Floor

The spacious galleried landing provides an impressive sense of space and leads to the first-floor accommodation, with a staircase continuing to the second floor. The principal bedroom is a superb retreat, enjoying an attractive bay window to the front elevation that floods the room with natural light. Beautifully presented with stylish herringbone flooring, the room retains its character through an elegant chimney breast and original fireplace (currently not in use). Formerly two separate rooms, the space has been thoughtfully reconfigured to create a luxurious bedroom suite complete with a dedicated dressing area. A sliding door leads to the beautifully appointed en-suite shower room, featuring a walk-in rainfall shower with brushed gold fittings, a contemporary double vanity unit with twin wash hand basins, marble shelving, and a heated towel rail, all finished to an exceptional standard. Adjacent is a further room which would make an ideal nursery, home office or study. Bedroom Two is a generous double bedroom overlooking the rear garden and benefits from a fitted storage cupboard. Serving this floor is a stunning family bathroom, combining contemporary styling with period charm. Features include a striking matt black framed shower enclosure with complementary mosaic tiling, a heated towel rail, WC, vanity wash hand basin, and a beautiful freestanding claw-foot slipper bath with traditional Victoriana-style taps and handheld shower attachment, creating a luxurious space in which to relax and unwind. To the second floor, there is eaves storage and three further bedrooms.

## Outside

There is a paved area to the front of the property ideal for parking a vehicle which benefits from an EV charging point. A gate provides access to the rear which has been designed as a low maintenance garden laid with a patio and astro turf. A garden shed positioned in one corner provides useful external storage.
