The real heart of the home is undoubtedly the stunning open-plan kitchen, dining and family room. Beautifully redesigned for modern family life, this impressive space allows conversation to flow effortlessly whether you're preparing dinner, entertaining friends or simply keeping an eye on the children whilst they play. The contemporary shaker-style kitchen is beautifully finished with quartz work surfaces, a central island with breakfast seating, integrated appliances and an abundance of storage, whilst wide bi-fold doors flood the room with natural light and seamlessly connect the indoors with the garden beyond.

Just off the kitchen, a separate dining room offers welcome flexibility. Whether used as a formal dining room for entertaining, a snug, children's playroom or home office, it provides valuable additional living space to suit changing family needs.

The integral garage offers excellent storage whilst retaining potential for future conversion (subject to any necessary consents), making this a home that can continue to evolve with its next owners.

Upstairs, the feeling of space continues.

The principal bedroom enjoys fitted wardrobes along one wall together with a beautifully refitted contemporary en-suite shower room. Three further bedrooms are all well-proportioned and are served by a stylish family bathroom, finished to the same high standard found throughout the property.

Outside is where this home truly comes into its own. The south-facing rear garden has been thoughtfully landscaped to provide a wonderfully private and low-maintenance outdoor space. Mature planting established borders and carefully designed seating areas create the perfect setting for summer entertaining, family barbecues or simply enjoying a quiet morning coffee in the sunshine. It offers an excellent degree of privacy, making it feel like your own secluded sanctuary despite being just moments from the town centre.

To the front, the property benefits from driveway parking together with the integral garage.
