On arrival, the scale of the property becomes immediately apparent, with an extensive parking area and two substantial garages adjoining the house. These provide excellent additional parking, storage or potential workshop/ office space, offering considerable versatility.

The property occupies a substantial plot, with the principal rear gardens providing a particularly attractive outdoor setting. The gardens are predominantly laid to lawn and are relatively straightforward to maintain, with an existing terrace creating an excellent area for outdoor seating and entertaining. Overlooking the expansive lawn, the garden enjoys a wonderful sense of privacy, while also offering scope for a new owner to introduce additional planting, landscaping or other garden features.
