Welcome To Drakes Court! NO FORWARD CHAIN. This rarely available, end of terrace townhouse is nestled within a secure gated community, edging Southampton Water. The accommodation boasts versatility, with three second floor bedrooms and a fourth on the ground floor, serviced by its own, practical shower room. Other benefits to this exclusive home include a refitted master shower room, refitted bathroom and a landscaped rear garden. The ground floor also promotes a study and separate utility room. If you are looking for a large family home that offers flexibility, this needs to be a consideration. The floorspace of this property rivals the four bedroom detached market and is in an exclusive development, with a lower price tag.
