Offered to the market for the first time since its construction in the 1960s, this detached bungalow with a single garage presents a rare development opportunity (subject to the relevant planning consents) or to create a home tailored entirely to your own tastes and requirements.

Requiring modernisation throughout, the accommodation comprises an entrance porch leading into the lounge, with a separate dining room and kitchen beyond. The kitchen benefits from a door providing access to the rear garden.

An inner hallway leads to a family bathroom and three well-proportioned double bedrooms.

Occupying an established plot and offering excellent potential for renovation and improvement, this property is ideally suited to purchasers looking to add value and create a home to their own specification.

Early viewing is highly recommended.
